Subject: Hayman Update

Hello all -
Here's the latest on what has transpired this afternoon.

Hayman has an investor dinner on Feb 2nd, that is impacting urgency of the UDF info/site release date. The story must be released one way or the other, no later than Jan 25/26 (Mon/Tues) of next week. Hayman needs to know this week, in order to alert regulators and FBI in advance of the break.

Next steps:

Mike is communicating this to [REDACTED]
[REDACTED] will let us know if this is something they can commit to.

If not, Plan B is having Kyle Bass break the story by tweeting out a link to UDF site, and give an exclusive phone interview to [REDACTED] Media blitz would follow.

If this moves forward, Parker can be an unnamed source. Kyle has agreed to being trained on tough Qs, by Chris or myself. Parker, the same.

Will convene everyone again either later this evening, or in the morning, once Mike talks to [REDACTED] tonight.
