See responses below.

I am currently scheduled to arrive in Dallas late Monday night. Staying at Crescent. Great. Hayman's office is literally across the street so that's convenient. Hayman would like to circle up with us briefly between 7:30-9:00am for 15 minutes on Tuesday prior to their meeting with the FBI (which is at 9:30), then they want us to join them around 11:30 with the FBI (Hayman spoke to the FBI today and cleared our attendance at the end of their meeting). Afterwards, we will then circle up with Hayman and discuss further. Hayman is ordering BBQ lunch for us at their office.

Do you have that presentation from Hayman you sent me a number of months ago? Can you resend? Attached are the UDF (full presentation-better version than was previously sent) and the Q1 update which I went over with Parker on Monday. My name is watermarked on the attachments, but have clearance to share within MP, but please don't forward outside our firm.

What is status on Mystic? Everyone signed up? Ready to go, George in for \$25k, Nishant-\$50k, Scott-\$15k for a total of \$90k. I know you don't want to, but you need to call Ron. I already laid the groundwork and he's good with it, but he mentioned to me today he wants to talk to you and he may lob a call in to you over the weekend.

Diamond due dil memo? Needs a little more work, but will make sure we go over it when I see you Tuesday.

In between everything, we can check out the new office.
