Yeah tonight kinda late out again Sunday. Josh is awesome and Scott is seriously talented. Both are worn out for sure...you did good hiring these guys. Have a great weekend

You must have read my mind.....was just about to check in with you and see how you were holding up.

Productive week with Hayman.....met with them and McCartin, have a game plan to approach the SEC regarding receivership. Lots of behind the scenes work. Would be a game changer if we get it.

Are you heading back anytime soon?
