Farley,

Just had a quick visit with Dary re: the info you sent over. Any chance we can take a look at the financial and collateral info you have on the individual assets? You gave us a quick peak at a couple of your spreadsheets when you first met with us on this. The sooner we can dive in to the detail the better. I'm out tomorrow and sam will be back on Monday so if we could kick something off then that would be great.

Looking forward to working with you.
