Greg,

What a wonderful and unexpected note from you! I apologize for the late reply as I completely unplugged for the last week and spent time with my family.

I am certain we will connect on something in the future. My best to you in 2016 as well.

Sincerely,

Kyle

Kyle,
I wanted to drop you a quick note to wish you and your family a Happy New Year. I know the UDF project lost some steam, but hopefully we can connect on other opportunities in 2016.

Hope your well,
Greg
