Absolutely David. Our General Counsel, Chris Kirkpatrick, worked in the enforcement division of the SEC for 7 years prior to joining Hayman. He had a preliminary call with two members of the Ft Worth office a week or two ago. The people he had the call with were David Wipple (enforcement attorney) and Keith Hunter (accountant) who asked to schedule a meeting with us in the next week or so.

We are looking forward to hosting you all this morning.

Best,

Kyle

Mr. Bass-
Good morning. Regarding our meeting tomorrow at 10am, I would like to have some representatives from our partner agencies attend with me. Given the magnitude of the scheme you described, I think it would be beneficial.
Those accompanying me would be from the US Attorneys Office and the SEC.
If you have any questions or concerns, please let me know.
Thanks
