Gents, I know we got cut a little short today. It sounded like a next step on media approach was to put together a post-
[REDACTED] list of targets. Here are D.C. financial/regulatory-oriented guys we know - with top non-business publication reporters bolded:

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]

**Recently wrote about Kyle so there may be a relationship)*

- [REDACTED]

[REDACTED] is a dedicated SEC reporter who could pick the story up after [REDACTED] if [REDACTED] (activism) or [REDACTED] (RE investment) doesn't.

Feel free to drop into your list if you'd like. If we want to aggressively pressure SEC in its back yard, we can use these guys as channels for that. Thanks.
