Yes pls.

Also need to connect on some new information we got in Chris's call with Kyle this weekend, on some potential activity on Thursday.

Have a call to download Greg at 5pm, if you're able to join, and we can run through Russell's suggestions together with the team. Or we can connect before or after.

Subject: Debrief on feedback from Russell

Hey there- Would you like to connect to discuss Russell's feedback on Hayman?
