UDF is the only one without a new auditor in place...UDF is going to find someone to replace Whitley Penn absent some event (by our own doing or otherwise); I'm familiar with MVC Capital...that thing is a mess and appears to have potential fraud issues...they still got Grant Thornton to step in to replace E&Y (wouldn't be surprised if GT steps in to replace Whitley Penn). It is frustrating to sit here and do nothing when there is a good opportunity and rationale to move.
